

Carlo Colella
Vice President for Administration and Finance
University of Maryland

Carlo Colella was named Vice President for Administration and Finance at the University of Maryland in June 2013.

Prior to this role, Mr. Colella served as Associate Vice President and Chief Facilities Officer from 2011-2013. He joined the university in 1988 and has held progressively responsible positions in Facilities Management, including service as director of capital projects from 2002-2011. Prior to his career at Maryland, Colella worked as an engineer for five years.

Colella earned B.S. and M.S. degrees in Civil Engineering from the University of Maryland and the University of California, Berkeley, respectively. He is certified as a Professional Engineer and a LEED Accredited Professional.

As chief business officer, Mr. Colella is responsible for the university's business operations and 1,352 acre physical environment including nearly 14 million square feet of facilities. The division's 1,500 staff ensures a safe, well-maintained and clean environment; facilitates planning for the future of the campus and manages construction; manages financial operations and provides business support services; supports transportation demand management and promotes partnerships with surrounding communities.
